April 16, 2009

Sir:

The attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached Form PTO-1449. One copy of each of these documents is attached.

A copy of the Japanese Office Action mailed March 24, 2009, citing these documents, is also enclosed herewith. Document 1 and Document 2 cited in the Japanese Office Action on Patentability were made of record in the Information Disclosure Statement filed on January 27, 2006.

No fee or certification is required in connection with this Information Disclosure Statement, since it is being submitted prior to the issuance of a first official action on the merits following the **Request for Continued Examination (RCE)** in the above-identified patent application.

However, the undersigned hereby certifies

XX that each item of information contained in this statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

XX that each item of information contained in this statement was first cited in a communication from a foreign patent office in a counterpart application and that this communication

Application Serial No.: 10/566,202
Information Disclosure Statement

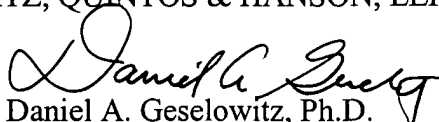

was not received by any individual designated in §1.56(c) more than thirty days prior to the filing of this statement.

The above information is presented so that the Patent and Trademark Office can, in the first instance, determine any materiality thereof to the claimed invention. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the documents cited in the attached Form PTO-1449 be made of record therein and appear on the first page of any patent to issue therefrom.

The Commissioner is authorized to charge our Deposit Account No. 01-2340 for any fee which is deemed by the Patent and Trademark Office to be required to effect consideration of this statement.

Respectfully submitted,
